"For me, it is difficult to play piano well. But that is okay, I love it. When I play slowly, I can hear all the beautiful sounds clearly."

There is a little lizard who does everything slowly. So he is called laggard by his quick-tempered friends, at his slow pace, it doesn't any matter. Because he is happy in his own way!

피아노도 천천히 치고,

"나는 손가락을 빨리 못 움직여,
그래도 좋아. 천천히 치면, 모든 음악이 예쁘게 들리거든."

He shows an aesthetics of streamer in his ordinary life. Doing puzzle game and origami, having lunch, strolling around slowly. But we should know that when it rains, he has to move quickly, he is faster than anyone!

As a modern people, our life moves pretty fast. If you don't stop and look around once in a while, you could miss those small happy things.

A special consolable storybook for all age! No rush, No hurry. Take your time and be more calm with slow lizard.
