This picture book is for those who are stuck in difficulties, tired of their daily routines, and cannot come up with a good idea to get out of it there. To them, this book suggest escaping from place for a minute and set off into a somehow unfamiliar place even a mountain behind your town.

In the middle of hot summer, home appliances such as an air purifier, AI speaker, pressure cooker and an electric fan, working for 24/7 start to break away from their duties and go for a stroll in the mountain. Even though it is a short moment, while taking a break, they can look around at surroundings and find out what they really want to do.

## About the author:

Kyoung-ah Lee love climbing a mountain when she feels stuck. Whenever taking a stroll in the mountain, she takes a deep breath and tries to approach a problem from a new viewpoint. She worked this picture book in order to share that experiences.
