Let's explore in the wood. You will find the Bzz Pharmacy where Honeybee is working as an assistant of Ms. Flower-bee, a kind and competent pharmacist. Four seasons in nature with various events make you spot magical moments in spring, summer, autumn and winter.

In a summer day, Ladybug who dislikes taking a bath visits the Bzz Pharmacy. Ms. Flower-bee is concerned about his health in that his top shell needs to be coloured and applied with honey to protect from torrential rain. And one great idea pops to Honeybee's mind! What if we made a pool so that all insects can swim and bath together? Taking a bath would be sort of a play for Ladybug.

You can see how they build up a big swimming pool, pulling together, and whether Ms. Flower-bee's plan would works.

물들이 놀고 다니는 것은
 땅속의 곤충이, 물속의 동물에게
 의해 움직이는 무궁무진한 세계 속에서
 살아 움직이는 세계입니다.
