EXTENT 104 pages including character cards
CATEGORY Mythology / Fiction / Comics
SIZE 145*200mm
RIGHTS World available

A series of classical Greek and Roman mythology by mixing various formats like comics, chatting box, YouTube broadcast, games, etc, in light of young reader's life-style in modern times. This diverse formats would help readers connect and easily enjoy the perfect, yet very human-like gods and goddesses of Greek and Roman Mythology.

Stories with swirls of human emotions that touches on love and breakup, life and death! Exciting stories of heroes that goes against their destiny and curses of the gods.

The readers will feel like they are reading comics or watching video clips in a film, yet understand its philosophical, historical, and psychological aspects of Greek and Roman Mythology.

Recommendation by Sung Ho Bae (Representative of Korean Elementary Sociological Curriculum Group, Researcher of The Korean History Education Society)

“Books that can be more fun and exciting than YouTube or games!”
