This wordless picture book is about hope and despair while two different families became one extended family.

Dad, stepmother, two girls, and young boy became a family and had a hard time adjusting new environment. One day, family outing turns tragic as the young boy drowned at lake. After this misfortune, family members broke apart.

Could they overcome the adversity and find their happiness again? An emotion-evoking pencil sketches give readers an opportunity to think about true essence of family and strong-tie relationship.
