Heart-warming text and gorgeous illustrations showcase the deep sea through the Jellyfish Bus, introducing the unique sea creatures that call it home

This Jellyfish worked as a bus in the ocean, satisfied with his job with great affection. But due to his slow speed compared to others, he was fired all of a sudden. It is the very first time to set out on a journey to the sea where he has never been to for refreshing. And in the deep dark ocean, thanks to his relaxed movement, he is able to discover the unique deep-sea fish/creatures who never get out of their habitat. He is willing to be a bus for them, connecting the ocean depths with a deep-sea night market.

A fascination exploration of the ocean and creatures, inspiring readers to become natural lovers and encourage them to lead a full life very day.

Author Biography

Su-hyun Lee wrote this picture book with her wish to embrace lonely and struggling existence. She worked for this in full support of the Jellyfish Bus who is willing to be a place for deep-sea fish used to feel of isolation, living in a remote location.
