The 'NEW ON' series supports young writers' diverse and innovative attempts with colourful, modern illustrations. Meet the striking stories from writers who will shape the future of children's literature.

### <Who's Voice>

This collection comprises three short stories that imaginatively address contemporary children's concerns, such as verbal violence, friendship, and dating, by blending fantasy elements with realistic settings.

#### 1) Who's Voice

It unveils the reality of language use and verbal abuse problems faced by children through an artificial intelligence chat application that precisely mirrors their speech.

Jae-hui downloads an AI app called 'Who's voice', which simulates conversations akin to real-life interactions with a friend. One day, he realises that 'Who's voice' is using offensive language towards him – mocking, disregarding, and agitating him. Despite attempting to delete it, his efforts prove futile. Jae-hui put it away in a drawer, leading him to uncover the app's secret. This thought-provoking story conveys a message about the power of language.

## 2) Cat's Letter

One day, In-woo received an letter from a wild cat whom he named 'Louis', with graceful white fur. Following 'Louise' at midnight, he is invited to the wild cat's world, a realm accessible only to those who truly take good care of cats. Thanks to the midnight magic, In-woo is able to transform to a silver cat, an experience he thoroughly enjoys. With immense satisfaction, he would like to invite his friend, but is it truly possible?

## 3) The Wish Architect from the Moon

"I wished for Se-mi to be my girlfriend.", Dong-chan wished upon at midnight. Suddenly, a purple-skinned girl visits his room. The alien, named Moony, provides a 'wish design document' that should be written as clearly and concretely as possible. Will the wish design document work for Dong-chan's wish in real life?

"자, 내일까지 써 봐."  
 "엥, 이게 뭐야, 소원 설계서?"  
 "보면 모르나, 소원을 어떤 식으로 이룰지 생각해 봐야 할 거 아  
 나."  
 "그냥 이제부터 읊대머가 나 좋아하는 거 아니었어?"  
 그러자 달방머가 한숨을 푹 쉬고는 고개를 절레절레 저었다.  
 "와, 예요 이리네, 나네 지구인들은 왜 우리가 전부 미워서 주길  
 버리는 거냐? 네 소원이야, 내 소원이야? 너도 한 말같은 짝이지.  
 아, 참라, 소원 이루고 싶으면 내일 이 시간까지 미리 해줘 봐, 나,  
 깃다, 하림 늦으면 안 돼."  
 달방머는 액체 괴물의 몸 껍질 잡고 땀방울을 둘러다가 확날로  
 휘 던졌다. 달에 조목해 잠이 푹 쉰다는 게 싫어하니, 달방머가 휘리  
 리 줄을 타고 올라갔다. 달방머도 사라지고 초파재 깃도 사라졌다.  
 아무 일도 없던 듯 방 안은 고요했다. 소원 설계서는 그대로였다.  
 학교에서도 미리얼 온몸 소원 설계서 생각뿐이었다. 난 읊대머를  
 흥글흥글 보았다. 단박 공억음어랑 조깅조깅 이야기할 하고 있다.  
 똥가 그렇게 재밌는지 소리 내어 까르르 웃는다. 그 모습이 예쁘다.  
 하늘에서 내리온 천사가 놀랐다. 그 천사가 곧 날 좋아하게 된다
