The fourth title in this series – third one will be launched in winter 2023.

When spring is just around the corner, Nosy's family are busy to go on a picnic. Everyone is so excited to see the flower viewing even the youngest, Coco. Even though they were jostling through the throngs of people and terrified when losing Coco in the crowd, the whole thing is very new to Nosy, feeling happy. And Nosy wants to share precious moment of this spring with grandma who can't go out with because of a cold. What would Nosy's special idea coming up with for grandma?
