The picture book sheds light on the protagonist – Swallow, called *I'm fast as lightning's* situation with a satirical and didactic perspective, encouraging readers to cheer for his challenges and new journey.

In danger of losing homes, Swallow having short arms decides to leave for another country. He faces three tests —running, eyesight, and wing length—to enter there. While he effortlessly passes the first two tests, Swallow finds himself needing an extra 2 inches in his wings. Undeterred, Swallow embarks on a journey to find the perfect home.

The story depicts Swallow's clever and desperate attempts to pass the test but also shows his resilience as he never gives up. Clutching fists with a determined expression, measuring the wingspan with sincere gestures filled with hope when each challenge concludes, and finally, confidently advancing on his chosen path – these moments would go beyond amusement and satisfaction, resonating deeply of our heart.
