Let's enjoy these thrilling coolness flavor filled with imagination!

Tired of the heat, Jan-di and Dinosaur discover a small, yellow, lightning bolt-shaped fruit. With one bite, they experience a thrilling coolness. As their friends also try the fruit, each person's body reacts differently and they can't help eating them all at once.

The picture book offers a free-flowing exploration of visual rhythm, with multiple scenes blending together in harmony, inviting readers to discover the delightful consequences of the characters' actions. At the end of the book, along with various recipes for the lightening berries, children will also have fun coming up with their own recipes.

Author Biography

Deock-hwa Lee studied animation at university. She wrote and directed the short animation 'Here I Give, There You Take'. Her illustrations were selected for the Bologna Children's Book Fair Illustrators Exhibition in 2010 and she was selected for the White Ravens with the picture book 'The Child with Many Head Haris' in 2022.
