In this lovely follow-up title to 'The Weather Store', Thomas Lee presents his brilliant and imaginative world filled with lovely characters and their stories once again.

Lilac, the owner of the 'Star Store' in Scales Hill Village, wanders around the universe, collecting tiny pieces of stars to make all kinds of dreamy items. One day, 'slumber' suddenly disappears without a trace, and the villagers are eager to find it.

Lilac and her assistant, Little Star, set out on a journey to gather materials such as a fluffy blanket, a lullaby radio, and fragrant tea leaves from different stars across the universe. Will Lilac and Little Star be able to help the villagers fall into a sound sleep with their creations?

 아나 별 요양집들을 만나서 기 봐야겠어!"

그런데 이게 무슨 일일까요?
잠과 깰리가 바늘 안의 바늘에 안락하는 열차와 열차들이요.
