Just One Bite (The Legend of the Tiger Melon)

Gee-eun Lee

210 x 250 mm | 64 pages | July 2025

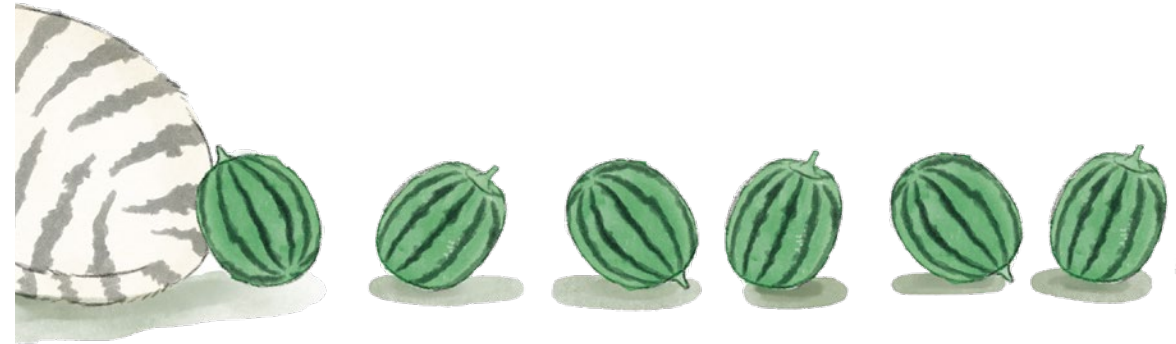

Rights sold: French, Simplified Chinese

The fourth book in the 'Legend Series', this imaginative and twist-filled story captures the mysterious magic of a summer night.

A mysterious watermelon appears under the summer moon, sparking a mischievous midnight adventure for a group of curious animals. Ignoring the fruit's eerie warning—"You will get in trouble if you eat me"—The snow tiger boldly takes a bite, setting off a series of unexpected twists. Blending playful humor with a touch of suspense, the story keeps readers guessing until the end. Its unique mix of laughter, chills, and imaginative storytelling makes it a memorable read for all ages.

Gee-eun Lee

2021 Bologna Ragazzi Awards Winner in Early Comics (Iparapa Nyam Nyam)

Gee-eun Lee's Legend Series is Woongjin Junior's best-selling picture book collection, transforming familiar themes like shaved ice, friendship, and watermelon into imaginative legend-like tales. Each story can be enjoyed independently, yet recurring characters add continuity and warmth across the series.

It's About to Start!

Saida

218 x 245 mm | 52 pages | June 2025

What will happen soon? As promised by the title, 'It's About to Start' unfolds a whimsical chain of unexpected events triggered by the magical word "soon." A sleepy-eyed girl embarks on a fantastical journey where nothing goes quite as expected—she falls off a cliff, gets swallowed by a giant fish, meets a fearsome (yet lonely) tiger, and finally discovers a book that pulls her into a story of her own. Each page turn defies prediction, inviting readers to become both storytellers and protagonists in an ever-shifting narrative. Dynamic scenes, clever twists, and a celebration of imagination make this picture book an irresistible invitation to the joys of reading and creating.

The Heart Bakery

Thomas Lee

236 x 196 mm | 56 pages | October 2025

In the village of Scale Hill, the Bread Festival is being held! Amid the noisy, bustling bakeries, shy Focaccia's little sea salt bread stall remains quiet. As Focaccia sighs while looking through the recipe book left by his mother, suddenly, Baguette, the dinosaur bread wizard, jumps out of the book! Baguette tells him that by baking with the heart powder from his magical pouch, the breads will taste better and warm everyone's hearts. Follow Focaccia as he bakes a variety of breads for friends who each come to the "Heart Bakery" with their own stories.

Welcome to the imaginative universe of unique shops in Thomas Lee's Store Series. Charming illustrations and inventive items spark creativity and wonder for readers while helping customers with their little dilemmas.

The Weather Store

Little Rider

Minu Kim

218 x 218 mm | 48 pages | September 2025

This gentle follow-up to 'Snail' follows a boy learning to ride a bike for the first time. Excited to try riding without training wheels, he struggles to maintain his balance on the seat. As soon as he lifts his feet, the bike wobbles. Despite countless falls, he keeps getting back up and trying again, demonstrating incredible resilience. This heartwarming picture book not only captures the boy's determination and courage but also beautifully illustrates his journey of overcoming challenges.

The Coat of Today

Mi-kyeong Song, Su-yeon Lee

210 x 288 mm | 40 pages | September 2025

Told in two voices, this charming picture book follows Yu-ri, who cherishes her favorite coat but never wears it, and the coat itself, which longs to be used. When Yu-ri's mom suggests passing it down, the coat slips away on its own, rolling through the world and becoming torn, soaked, and worn down. Yu-ri spots her precious coat caught in a tree. For the very first time, she puts it on. A heartwarming tale that celebrates taking risks, cherishing memories, and creating bonds through beloved objects.

Tangerine Rabbit

Yu-yeon Baek

TBC | TBC | November 2025

In this sweet and whimsical tale, the legendary Jade Rabbits of the moon set out to grant a child's wish. Guided by the Moon Spirit's curious riddles, they journey through the lunar world, facing twists and turns along the way. Their quest ends with the discovery of a pile of golden tangerines, which they share with the child, bringing warmth and abundance to the coldest winter days. A tangy-sweet picture book filled with imagination, gentle wonder, and the magic of wishes coming true.

Yum Yum Autumn

Jung-hyun Lee, Sogumi

205 x 225 mm | 40 pages | October 2025

How can children enjoy healthy, delicious meals? Actress and parenting expert Jung-hyun Lee shares her kid-friendly recipes in this illustrated cookbook. This first volume in this series follows Sua and Tori as they care for a sick kitten, blending heartwarming story with cooking. Seasonal, wholesome ingredients turn each dish into a nourishing experience. A delightful mix of storytelling and hands-on recipes that inspires healthy eating and empathy.

Hurray Cactus

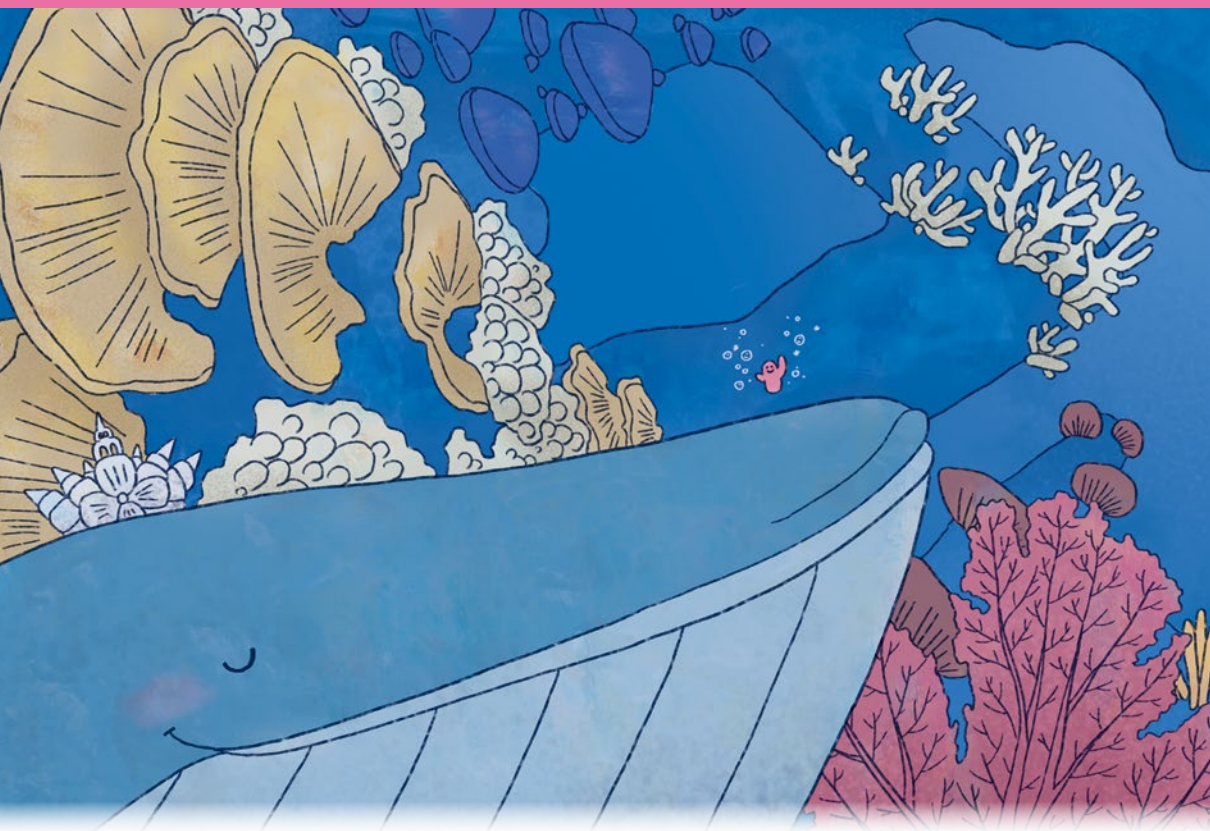

Ju-hyeon Cho

170 x 254 mm | 44 pages | June 2025

In a quiet corner of a child's room stands a small cactus, always raising its arms in silent cheer. Since her cactus only needs a little water to survive, could it be oceans filled with water? Or, since it purifies the air, could it be a forest? Or, since it grows green, could it be an artist? As the girl observes and questions the cactus, she slowly learns the meaning of waiting, wondering, and connecting without needing all the answers. A tender, poetic story that invites readers to look closer and feel more deeply.

2021 The 5th Woongjin Junior Picture Book Contest - Winning Entry

The Ocean's New Crown

Jella

TBC | 64 pages | October 2025

Today is a very special day to choose the new King of the Sea! The great whale, who has served as the third king, sets out to find a worthy successor. He meets many candidates, a turtle, a crab, and a clownfish, but none seem to truly know, understand, and care for the sea. Will he be able to find the next ruler who can protect and cherish the ocean? A beautifully illustrated picture book that celebrates the importance of the ocean, the value of life, and our responsibility to protect the environment.

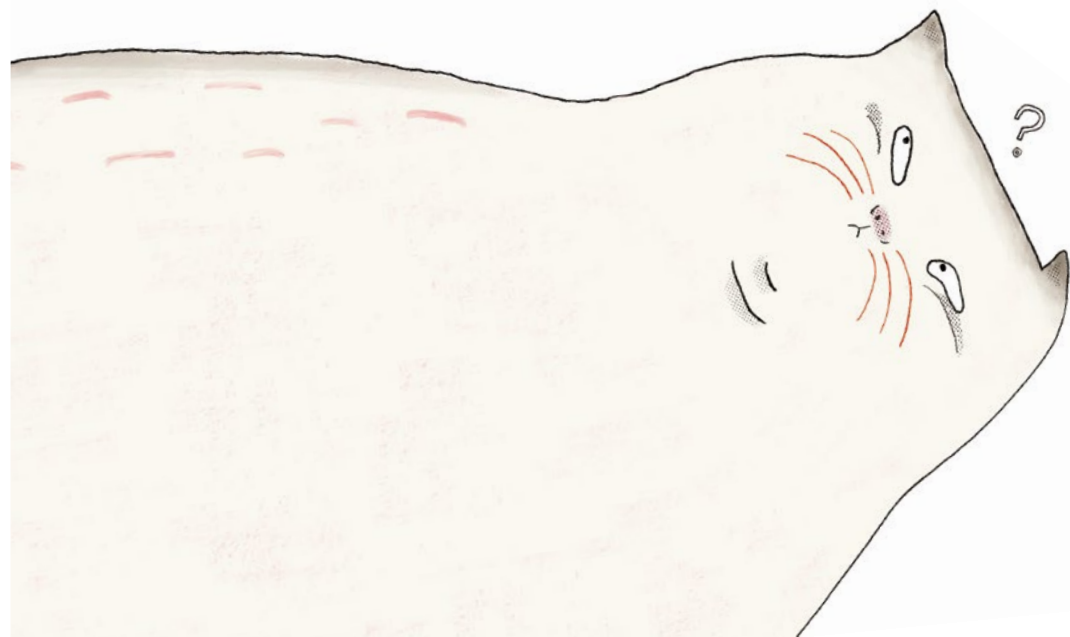

Achoo

Yeon-kyeong Yoo

240 x 195 mm | 48 pages | August 2025

On a sweltering summer afternoon, a plump cat ba a dangling spider, only to have the startled spider y: out one of its whiskers. With a ticklish nose, the cat lets out a huge "Achoo!" sending the spider flying and setting off a chain of chaotic events. Each sneeze leads to even more hilarious misadventures, turning a tiny moment into a whirlwind of fun. Achoo is a lively and refreshing picture book that captures the hilarious chaos of one sneeze leading to another and show how even the smallest moments can spark the wildest imagination.

Transparent Trees

Jung-yoon Huh, Jin-ho Jung

300 x 190 mm | 44 pages | TBC

In 'Transparent Trees', a peaceful forest is disrupted by unexpected humans, leading to the loss of its beauty and vitality. The story unfolds above ground, where gray skyscrapers replace nature, and underground, where new life quietly begins to grow. This dual narrative reflects the growing divide between humanity and nature, raising important questions about the coexistence.

Twinkle, Twinkle, Twinkle!

Su-jeong Ha

200 x 235 mm | 64 pages | April 2025

Born in the deep darkness before life began, Twinkly is the very first spark of light in the vast expanse of space. His arrival opens the door to a world of shimmering light-drops, and along the way, he meets another glowing being, Twinkle Twinkly. Together, they shape grass, flowers, and seas from their delicate, transparent lights, slowly creating a living world. A gentle and poetic meditation on the origins of life, the beauty of connection, and the healing that blooms when lives grow together.

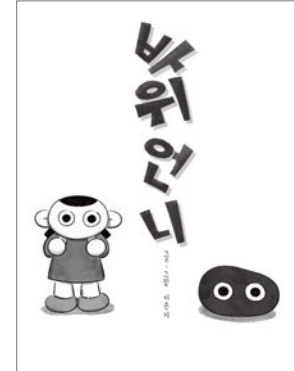

Tiger Tea House

Lumi

290 x 149 mm | 44 pages | August 2025

Deep, deep in the mountains and far from the reach of other animals, 'Tiger Tea House' quietly opens its doors, built to provide a resting place for the birds who fly high in the sky. Tea house run by a tiger may sound strange, but when it comes to tea, no one is more serious than the tiger. Even though no one comes, the tiger still continues, preparing each cup with care and patience. One day, his heartfelt dedication begins to reach others, slowly filling the teahouse with warmth and company. A lyrical picture book that celebrates patience, sincerity, and the quiet joy of sharing tea.

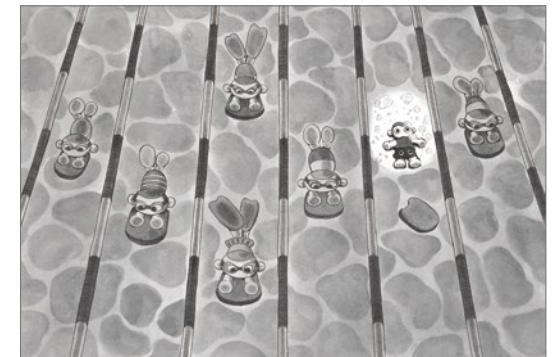

My Rock Sister

Eun-ji Lee

207 x 279 mm | 44 pages | October 2025

This tender picture book follows a day in the life of a girl who cares for her sister with a disability. Through understated black-and-white illustrations, it captures the everyday challenges and small acts of care within their family. Even amidst difficult situations and a fierce typhoon, the girl discovers that her 'rock-like' sister—once seen as a burden—is her anchor and source of strength. A heartfelt, visually striking story that transforms the idea of burden into love, strength, and familial connection.

One Day in the Forest

Hee-eun Lee

TBC | TBC | TBC

This interactive picture book creates a playful world by using the physical properties of paper. Readers guess animals by color, like when a yellow sun turns into a giant elephant with a page turn. Bold color contrasts and subtle shape changes reveal new stories, offering a fresh look at the daily life of the forest.

2019 Selected for 'Unprinted Ideas' at Hyundai Children's Museum of Art

King of the Monsters

Jung-yoon Huh, Ji-hye Hong

TBC | TBC | TBC

In the land where the Monster King changes every year, monsters compete for the throne. When the Glutton Monster becomes king, everyone searches for food. Under the greedy More-More Monster, the forest overflows with toys, and when the Liar Monster rules, lies and suspicion spread. This engaging story prompts readers to reflect on leadership and societal change.

Gum and Wrapper

Jung-yoon Huh

200 x 245 mm | 48 pages | April 2025

When a sudden gust of wind tears them apart, Gumy sets off on an adventurous journey to find Wrappy again. Along the way, Gumy encounters moles, sparrows, and other quirky characters who help—or hinder—his search. A heartwarming tale of friendship, separation, and reunion that speaks to readers of all ages.

Created by the artist using clay, fabric, and paper, this picture book brings each handmade character vividly to life with warmth and charm.

Jung-yoon Huh

2017 *White Ravens (The Transparent Tree)*

2022 *Selected for The BRAW Amazing Bookshelf (Borrowing Dad)*

Baek-chi Kim, the White Kimchi

Bo-young Sim

200 x 213 mm | 60 pages | October 2025

On a salty day in the land of Salt Mountain, fresh cabbages set out on a journey to become kimchi, including the uncertain Baek-chi Kim. Along the way, Baek-chi Kim accidentally escapes the factory and discovers his own desires for the first time. The path to perfect kimchi proves full of unexpected challenges, teaching lessons about courage and self-discovery. With a quirky and charming kimchi as the main character, this warm story celebrates finding one's own way and embracing life's adventures.

A whimsical Bzz Honey Pharmacy, run by Ms. Flower-bee and her assistant Honeybee, brings the seasonal forest to life. Heartwarming tales of the forest's insect community unfold across spring, summer, autumn, and winter, enhanced by soft colored-pencil.

Bzz Honey Pharmacy (4 titles)

255 x 205 mm | 44 pages | May 2020 - December 2021

Rights sold: Simplified Chinese

Shivering Fox Mountain

Ji-hyeon Kim

220 x 260 mm | 48 pages | November 2025

Brrr... winter has finally come making you shiver and send little puffs of breath into the air. But... why isn't it snowing? The Cat family sets off to Fox Mountain in search of snow. They pack their gear, learn safety rules, and follow their guide, Mr. Mountain Goat, up the slopes. Along the trail, they encounter hibernating animals and pass through a quiet, secretive forest. Will their journey lead them to the soft, cozy snowfall they've been dreaming of? A charming, adventurous picture book that captures the magic of winter and the joy of exploring nature.

Shaky Shaky Octopus Island

220 x 260 mm | 40 pages | July 2023

Cala-cala-calabash

Ji-hye Yun

210 x 270 mm | 52 pages | September 2025

A lively and imaginative picture book that humorously tells the life story of the calabash, from sprouting on the vine to becoming a humble water dipper. Through playful characters and rhythmic storytelling, it humorously captures each stage of growth and transformation. Even when fierce winds and rain leave scars along the way, the calabashes stand strong and grow tougher. A charming and visually engaging story that celebrates growth, resilience, and the magic of everyday objects.

Brr-brr-broom

210 x 270 mm | 60 pages | November 2023

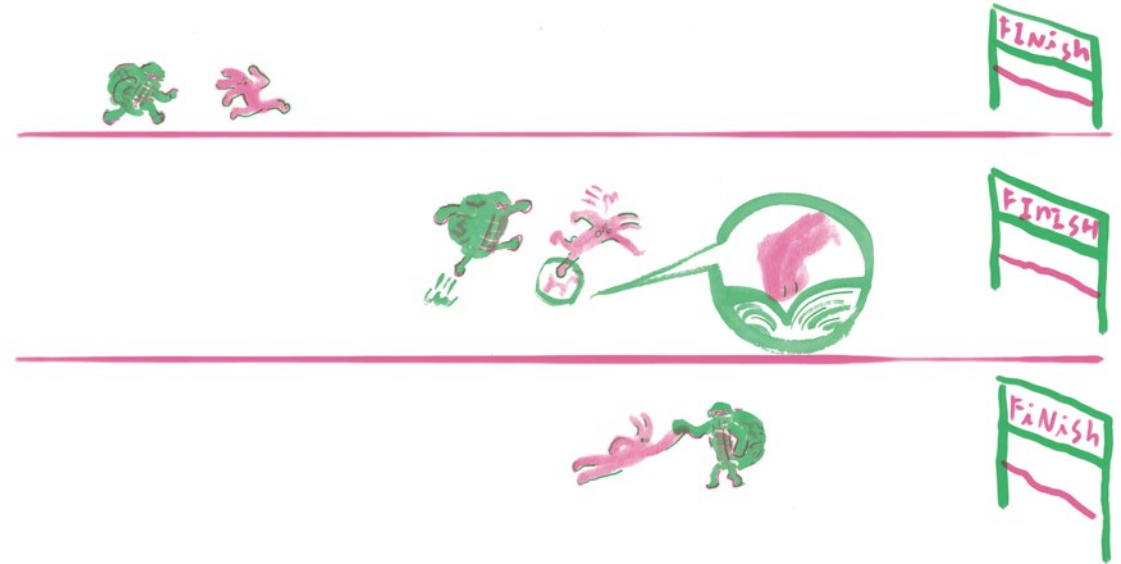

What's Happening in Tinkertown

Eun-yeong An

205 x 235 mm | 44 pages | May 2025

In the little town of Tinkertown, a skillful pair of scissors loves creating stylish clothes and accessories for paper-doll friends. At first, the work is fun and fulfilling—but as the requests grow too many and too frequent, Scissors begins to feel worn out. After heartfelt apologies, Scissors returns, mending both the creations and the friendships. A tender story about joy, frustration, regret, and forgiveness, it gently teaches children the value of true apologies and the lasting comfort of loyal friends.

The Final Race of the Tortoise and the Hare

Hyun-min Park

230 x 230 mm | 48 pages | October 2025

A bold reinterpretation of the classic The Tortoise and the Hare, this inventive picture book adds a fresh sense of imagination, tension, and fun to their repeated races. Challenging the idea that the hare always wins and the tortoise always loses, each race unfolds in surprising ways. What true significance does that victory hold for them? Close-up illustrations capture every expression, drawing readers into the emotional highs and lows of the competition. A dynamic, visually engaging retelling of a classic fable that turns expectations upside down and delights young readers.

Hyun-min Park

2021 Bologna Ragazzi Awards

Special Mention in Opera Prima (So Much Snow)

2022 Selected for the Illustrators Exhibition at the BCBF (City Flight)

Faces of Eternity

Yun-kyoung So

220 x 308 mm | 96 pages | December 2024

The inspiration for *Faces of Eternity* comes from traditional Korean folktales. The characters in these stories wrestle with conflict, doubt, and conformity within their circumstances—echoing various struggles we still face today. From Chunhyang, who dreams of rising in status through youth and beauty, to the miserly Jarinkoebi who embodies resilience, each figure reflects a facet of human experience. It is a faithful and vivid record of those who lived through the same time as us, and a self-portrait of us.

2025 Selected for the Best Book for Children in Korea at SIBF
"A work that reinterprets a traditional folktale in a modern way, combining both depth and fun."

Forest Good Luck

Hyeon-jin Jeong

190 x 230 mm | 304 pages | September 2025

Plastic waste has completely covered the Earth, causing abnormal climate change. The few remaining humans left Earth and are now living in a spaceship. Hundreds of years later, sprouts begin to grow, creating a magical forest called 'Forest Good Luck', where new life forms emerge, including a forest spirit named 'Raf'. Meanwhile, after discovering that Earth's environment has been purified, humans attempt to return to Earth and build a city. A conflict arises between the humans, who want to reclaim the forest, and the new life forms, who are trying to protect it. What will be the fate of Forest Good Luck?

Hyeon-jin Jeong

2021 Selected as Korea Manhwa Content Agency's Diverse Comics Production Support program

Project ONE

Jo-eun Lee, Junar Kim

140 x 210 mm | TBC | January 2026

In a post-apocalyptic Earth devastated by nuclear war, a dormant AI robot named Manu awakens to carry out his mission: restoring the planet's environment so that humanity can return from its lunar refuge. Alongside Hana, an imperfect cloned child, he embarks on a journey to find the lost bio-laboratory. On their way, they meet Talker, an intelligent car, and Star, a mutated animal, who reveal the scars and resilience of the Earth. Together, they discover that the true hope for the planet lies not in perfection, but in embracing life's fragile, imperfect forms. An evocative SF tale that reimagines humanity's place in the universe, asking whether we are rulers of Earth or simply one of its many living companions.

Junar Kim

Renowned animator with a Master's from Central Saint Martins
Creator of the award-winning short (Tug of War)

The Bread Travel Agency: Illustrated Guide to Bread

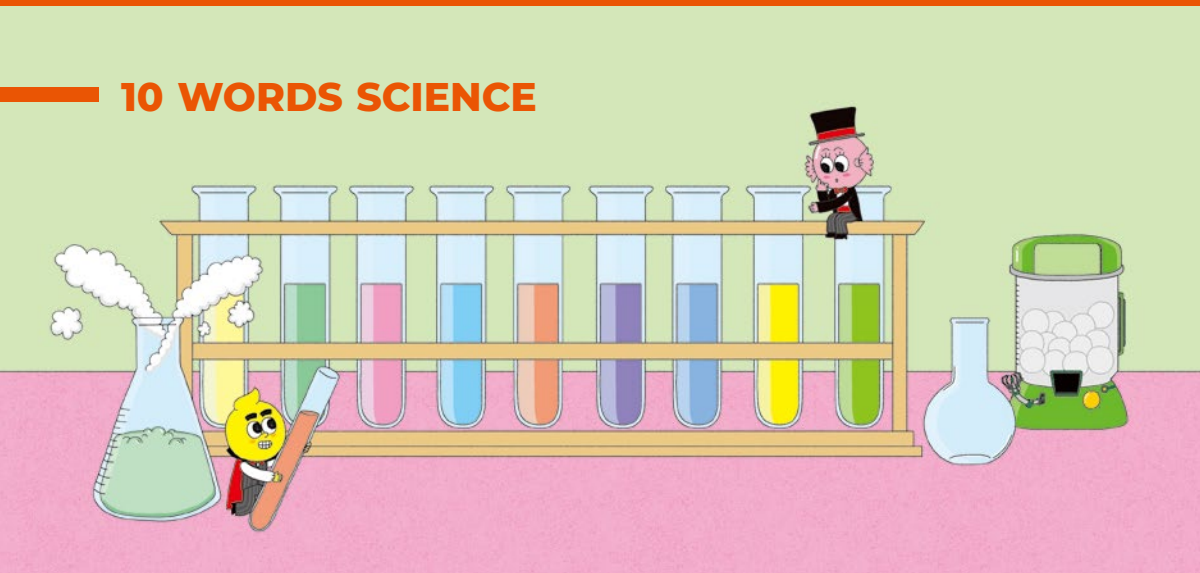

Kyoung-oh Kim, Young-ji Gang

155 x 210 mm | 104 pages | March 2025

For anyone eager to explore the world of bread, join us on a journey to 'Bread Park,' a theme park dedicated to bread, with the Bread Travel Agency. This illustrated Guide to Bread is your ultimate companion, revealing the origins of bread, its appearance in stories, art, and history, diverse breads representing different countries, and the entire process from dough-making to presenting breads to customers.

10 WORDS SCIENCE

Meet Sci and Ence, two science candies from Lollipop Star—a distant, candy-filled planet. Unlike the others, they were born without flavors. To find their own, they set off on an exciting journey to Earth in search of "10 Words", the only way to unlock their delicious taste. This engaging series introduces key science concepts for elementary and middle school students in a fun and interactive way. Each topic highlights ten keywords, which children can learn through quizzes answered by the characters.

Vol. 1 Earth and Space

175 x 248 mm | 152 pages |

September 2024

Vol. 4 Chemistry

Yang Hwa-dang, Min-young Kim

175 x 248 mm | 152 pages | January 2025

In the 4th volume, 'Chemistry', Sci and Ence dive into daily life of humans, exploring every corner of a house. They observe various household items, experience chores like washing dirty clothes, and even try making Dalgona (a popular Korean sweet). They also visit a hair salon, where they have their hair permed bubbly. Through these adventures, readers will grasp key knowledge such as chemistry, atoms, elements, and matter in a fun and natural way.

Vol. 5 Ecosystem

Yang Hwa-dang, Ju-mi Lee

175 x 248 mm | 152 pages | August 2025

In the 5th volume, 'Ecosystem', Sci and Ence embark on a journey through time to discover the flavors of Science Candy hidden in nature's past and present. Traveling back 3.5 billion years, they witness Earth's earliest life forms and explore how animals have adapted and evolved over time. Along the way, they marvel at nature's wonder, uncover scientific discoveries, and explore the secrets of life itself.

DINGDING CONCEPT IN 3 MINUTES

Vol. 1 Economics

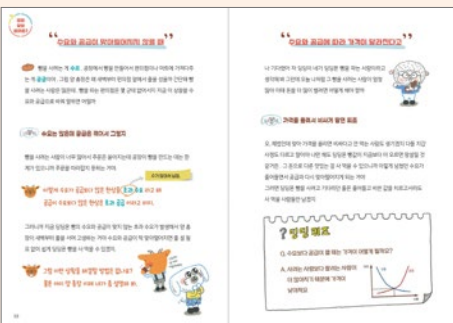

Hyo-geol Yang, Gyu-hyun Yeom, Eun-ok Gang

155 x 220 mm | 160 pages | October 2025

This series is designed to help readers quickly grasp key concepts by pairing fundamental terms for each topic. Engaging comic strips and lively illustrations connect concepts to everyday life, making learning both fun and easy to understand. Join witty characters as they explore economic concepts while enhancing literacy and critical thinking skills!

Written by journalists from Korea's public broadcaster MBC and the creators of the popular YouTube channel "Dingding University", which boasts 41K+ subscribers and over 1.5 million cumulative views.

- This series will continue to Volume 2 <Politics> and Volume 3 <Current Affairs> in 2026.

CAT HOTEL

Vol. 1 Create the Secret Guide!

Jeong-ah Kwon, Byeole

153 x 213 mm | TBC | November 2025

Deep in the mountains, there stood the mysterious Cat Hotel, hidden from humans and known only to animals. One day, A disaster struck. 'Once Upon a Lobby: a hotel management guide' which has been passed down for generations, got damaged. While searching for the perfect candidate to help complete it, the hotel's owner met three kids with warm and caring hearts. With a clever plan and its magical power, the owner turned them into cats and hired them as hotel staff! Can they complete the book to safely return to the reality?

The three of them work with other employees, share responsibilities, and follow strict rules to serve the most demanding guests, naturally learning key social studies concepts, such as democracy, self-governance, laws, and economic activities through mishaps.

- This series will continue to Volume 3.

FRIDGE HERO KIMCHI-CHI

Kimchi-chi, the genius problem solver of Refrigerator Village, dreams of entering the legendary Kimchi Castle. With his trusty partner, Tofutofu, he tackles mysterious events and villagers' dilemmas using scientific reasoning. What challenges await today? Will Kimchi-chi unlock his full potential and achieve his dream?

Vol. 1 The Case of the Missing Kkakdugi Twins

Jeong-ah Kwon, Yoonsik
153 x 213 mm | 100 pages | April 2025

Set inside a fridge, this lively non-fiction storybook follows Kimchi-chi and Tofutofu as they solve mysteries, from missing items to the strange jelly ghost. Each case cleverly incorporates elementary science concepts like states of matter, dissolution, and mixture separation. Through teamwork and problem-solving, young readers naturally build scientific thinking skills while enjoying a playful story. Warm messages about courage, community, and curiosity shine through every adventure. At the end of each chapter, the 'Fridge Science Notes' section clearly explains the important scientific terms and concepts that support Kimchi-chi's reasoning.

Vol. 2 The Spooky Science of Mushroom Village

Jeong-ah Kwon, Yoonsik
153 x 213 mm | TBC | November 2025

In this second adventure, Kimchi-chi, the genius problem solver of Refrigerator Village, teams up with friends to tackle new mysteries. While recruiting for the Dongchimi Choir, they explore the science of sound. In Mushroom Village, they uncover the truth behind ghost rumors through magnets and force, and in the Oven Forest, they learn about heat while hunting for the perfect topping. Each case brings them closer to Kimchi-chi's dream of reaching the legendary Kimchi Castle. A playful blend of mystery and science that makes learning concepts like sound, force, and heat an exciting adventure.

- Featuring Korea's representative food 'kimchi' and everyday ingredients as protagonists
- This series will continue to Volume 3.

KNOWLEDGE DETECTIVE
HUNTERGURIS

Knowledge Detective Hunterguris is an educational series following the quirky characters of Hunterguris on a mission to learn. With a 100% case-solving rate, they pursue the knowledge thief, Lupinguri.

Vol. 4 When Friendship Meets the Test of Fate

Ki-hong Kim, Ji-hye Heo

153 x 213 mm | TBC | January 2026

The fourth case of Goblin Detective Tang-gu, master of scientific reasoning, is here! With brilliant deduction skills and a wealth of scientific knowledge, Tang-gu rescues friends in danger and, at times, even clears up misunderstandings between people. But not everyone is a fan. Ga-bin Do, a goblin who distrusts humans, finds Tang-gu more and more irritating. At last, tensions come to a head as a direct showdown between Ga-bin Do and Tang-gu is imminent. What chaos will their clash unleash?

- Science learning points are explained and summarised at The end of each chapter.

- Includes scientific information: Definition and properties of meteorites, properties of ethylene gas, velocity and distance, salinity and density.

AHA! DAILY SCIENCE READERS

This collection inspires curiosity and fosters inquiry-based learning. Through short, engaging stories, children build science knowledge and master 240 key concepts. Reviewed by educators, the series aligns closely with general elementary science curricula and includes interactive quizzes to reinforce learning effectively.

Educator-Reviewed for Accuracy and Age-Appropriateness

Developed with input from primary and secondary teachers to ensure scientific accuracy and promote independent, critical reading.

Daily Short Chapters with Science Summaries

Each 6-page chapter includes a concise science knowledge summary, designed for consistent daily reading. Quiz books complement the series to reinforce understanding and retention.
